

WALKING & FIELD TRIP POLICY AGREEMENT FORM

Dear Parent(s)/Guardians:

As this is an Outside Urban Adventures program, it will require your child to be dropped and picked-up by you at designated locations as there is no home-base. While your child is on their class adventure, the staff will have flexibility to take other short trips and return for pick-up time. These trips may involve city transit, walking and or other safe travels during the program.

With your signature, your child will have permission to participate in these outings.

Sincerely,

Extra Steps Learning Centres Inc.

I give my daughter/son _____ permission to participate in walking, transit and other safe travels during the program.
